

CHAPTER V

DISCUSSION

5.1 Conclusion

In the discussion in the chapter - the last chapter, it can be concluded as follows:

1. With this website, Affandi Museum will be known by his paintings, especially by the visitor outside of the city of Yogyakarta.
2. Media information through websites such as Affandi Museum, 360 features making it easier for visitors to see the vision of what in the museum is.

5.2 Suggestion

Writing this thesis there are many shortcomings, which may be revised at the next research. So that the media can be more perfect, it is suggested that the development of this medium creates a more complex media, so as to create a more perfect information media.

The suggestions are:

1. The addition of features for the website becomes better.
2. The display on the page is very simple, for it is in its development is expected to add animation.
