STATEMENT

I the undersigned declare that this thesis is the work of myself (ORIGINAL), and the contents in this paper there are works that have been asked by others to obtain an academic degree in a higher education institution anywhere, and my knowledge is not there work or opinions ever written and / or published by others, except that in writing referred to in this text and mentioned in the bibliography.

Everything associated with the script and the work that has been made is the responsibility of my own.

MOTTO

“So which of the favors of your Lord would you deny?”. (Q.S.Ar-Rahman:13)

*“For indeed, with hardship [will be] ease. Indeed, with hardship [will be] ease.
So when you have finished [your duties], then stand up [for worship]. And to your
Lord direct [your] longing ”. (Q.S.Ar-Insyirah:5-8)*

Be yourself for be the best.

Be 100% wherever you are and whenever you are.

“Learn from yesterday, live for today, hope for tomorrow ”. (Albert Einstein)

DEDICATION

Praise Allah SWT writer for all his grace and guidance, so that I can finish this thesis. This thesis is dedicated to the author:

- 1.** Allah SWT for His grace and guidance so that this thesis can be resolved.
- 2.** Both parents that I loved, H. Masykur and Hj. Fatimah (late) who always give prayer, spirit, life lessons, and affection.
- 3.** Mr. Hanif Al Fatta, S. Kom, M. Kom as a Supervisor who has guide me.
- 4.** Mr. Dwi Agus Toni **as** Badrun Junior Camera Bag Shop Owner who have given permission to make **as** the research object in this thesis.
- 5.** Great family HIMMSI AMIKOM Yogyakarta University which gives a lot of experience and lessons learned.
- 6.** Penggalian Potensi Mahasiswa Committee in 2017.
- 7.** Friends in arms and friends of the class of 14-BCIS-01 class of 2014 University Yogyakarta AMIKOM already support each other in academic.
- 8.** Staff Directorate for Public Relations and International Affairs Directorate of Public Relations Student Staff International Affairs which provides lessons and experiences in the work.
- 9.** As well as all those who have helped in the drafting of this thesis can not be enumerated.

FOREWORD

Assalamu'alaikum Wr. wb

Praise Allah SWT writer who has bestowed His grace and guidance so I can finish the thesis with the title "**ARCHITECTURE OF INFORMATION SYSTEMS E-COMMERCE TAS KAMERA BADRUN JUNIOR WEB-BASED**".

In writing this thesis, the author realized that the manufacturing process is the role and support of various parties. Therefore, in this opportunity please allow authors convey thank you to:

1. Allah for mercy, guidance, and His grace that has been given to the author that this thesis can be resolved.
2. Prof Dr. Mohammad Suyanto, MM as rector of the University AMIKOM Yogyakarta.
3. Mrs. Krisnawati, S.Si, MT as the dean of the faculty of Computer Science and Information Systems department head AMIKOM University of Yogyakarta.
4. Mr. Hanif Al Fatta, S. Kom, M. Kom as a Supervisor who has guide me and directed in the execution of this thesis.
5. Lecturers AMIKOM Yogyakarta University lecturer who has helped in the learning process.
6. Both parents that I loved, Mr. H. Masykur and Hj. Fatimah (late) who always give prayer, spirit, life lessons, and affection.

7. Mr. Dwi Agus Toni as Badrun Camera Bag Shop Owner Junior who have given permission to make as the research object in this thesis.
8. Great family HIMMSI AMIKOM Yogyakarta University which gives a lot of experience and lessons learned.
9. Student Potential Excavation Committee in 2017.
10. Friends in arms and friends of the class of 14-BCIS-01 class of 2014 University Yogyakarta AMIKOM already support each other in academic.
11. Staff Directorate for Public Relations and International Affairs Directorate of Public Relations Student Staff International Affairs which provides lessons and experiences in the work.
12. As well as all those who have helped in the drafting of this thesis can not be enumerated.

In writing this essay authors are fully aware of shortages due to limited knowledge and ability constituent, therefore, suggestions and constructive criticism always expected it to improve these results.

Final words I hope this paper can provide benefits to the reader in general and in particular to the development in the field of website. *Aamiin.*

Wassalamu'alaikum Wr. Wb.

ABSTRACT

Camera Bag Badrun Junior shop is stores that produce camera bag at a bargain price. Camera Bag Shop has been marketing its products to the entire island in Indonesia and Abroad. The reservation process is done take a long time, Unclear where the customers make a payment or transfer, Responses from sellers who will make customers wait longer respond from the seller to ask the booking process, Has a time limit to order every day for customers who book will be waiting for a reply from the seller, Data missing vulnerable because they still managed manually.

E-commerce / Electronic Commerce is a business activity that is executed (example business transactions) by electronic means through a network (typically the Internet) and a computer or buying and selling of goods or services (or transfer money) through digital communication channels to make better service from owner to customer.

Keywords: *camera, bag, information, data, software, computerized*
